Ella

Universal chair with wooden legs

Design — Antti Kotilainen

The Ella chair with a wooden base is a universal chair with a light and timeless appearance that creates a homely atmosphere in any space. The chair is available both without upholstery and with several upholstery and material options. The Ella chair works well in cafes and break rooms. In the plastic version, the raw material used for the plastic in the seats and backrests of the chairs is 100% recycled.
