Face

Floor screen

Design — Iiro Viljanen

Interconnecting Face floor screens act as space dividers in offices and schools. The acoustic properties muffle the soundscape making the space pleasant and calm. The inner material is recycled and allergy-tested polyester fibre. Three pedestal models.

MATERIAL DESCRIPTION:

Floor screens: fully upholstered
Upholstery fabrics: Cara, Cura Screen, Floyd Screen or Soul Melange
The hoods are not machine washable - follow the cleaning instructions for fabrics.
A-leg, T-leg, leg with lockable castors: white and black
Core: dust-free, allergy-tested and sound-absorbing polyester fiber
Screen thickness: 4 cm
Connecting profiles: straight and corner (90 and 180 degree), colour white

PRODUCT CODE NUMBER:

713S08 = 80 x 130 cm
713S10 = 100 x 130 cm
713S12 = 120 x 130 cm
713S14 = 140 x 130 cm
713S16 = 160 x 130 cm
717S08 = 80 x 170 cm
717S10 = 100 x 170 cm
717S12 = 120 x 170 cm
713J = A-leg, white
713JL = T-leg, white
713JR = leg with castors, white

ACCESSORIES:

whiteboard memo board (54x36cm), cable holder.

FABRIC CONSUMPTION:

713 = 2.65 m
717 = 3.50 m

CARBON FOOTPRINT:

Face 717S12, leg with castors: 50.73 kg CO2e
