PoGo

School table

Design — Iiro Viljanen

The PoGo school table is a versatile, row-connectable and stackable table ideal for varying needs in learning environment. It's sturdy, but light enough to be easy to move. Bag hooks at both ends of the top and rounded corners improve user comfort and safety. The table is also available in a size suitable for two students.
The PoGo school desk is available with a choice of colours and laminates. The colour of the base can be customised with shades from Martela's Inspiring Colours range.
