Puffet

Seat cushions

Design — Iiro Viljanen

Puffet seat cushions are suitable for school environments. They are easy to bring along as the student moves from one room to another. With the help of the fastening belt, the pillows can be assembled together easily. Two color options: fresh colourmix and more discreet greyscale.

MATERIAL DESCRIPTION:

The foam inside Puffet cushions is type HR50.

There are two colour versions of Puffet sets:
Colourmix:
Touch-fabric, color of the edge and bottom is grey.
2 cushions in orange, green and fuchsia and 1 cushion in violet, turquoise and yellow.

Greyscale:
Silvertex fabric, edge and bottom in all cushions is grey (Carbon).
3 cushions in each shade of grey (Carbon, Plata and Titanium).
