Balksoffa

Design — Antti Kotilainen

Sola-balksoffa passar för olika korridorer, lobby- och väntrum, där det är viktigt att möblerna håller sig på plats. Balken finns i tre olika längder och kan förses med olika sittmöbler från produktfamiljen Sola. Kopplingsfästen säkerställer att sätena förblir i linje. Den klädda sitsen kan även fås med den mjukare klädseln soft.
